GEOGRAPHICAL INDEX

In this index the year following the name denotes the year in which the complete biography is found. Graduates of the College are entered with no distinguishing mark except the year of graduation.

For alumni not graduates of the College italic letters preceding the year indicate:

- a* recipients of advanced degrees
- a n* candidates for advanced degrees who did not complete the requirements for degrees, found in the section following the advanced degrees
- h* honorary degrees
- m* graduates of the Medical School
- n* non-graduates listed after the graduates of each class
- s* special students listed in the section immediately following the Class of 1939
- s t* special students in the Tuck School found in the section following the graduates of the Tuck School
- t* graduates of the Tuck School
- t n* non-graduates of the Tuck School found in the section following the graduates of the Tuck School
- th* graduates of the Thayer School
- th n* non-graduates of the Thayer School found immediately following the graduates of the Thayer School of the same year

The symbol following the names denotes occupation.

The names within each town are arranged by class.
